

WESTSIDE SENIORS HUB

COLLECTIVE ACTION BY AND FOR SENIORS

The Westside Seniors Hub is an initiative that brings together local seniors and senior-serving organizations to ensure that Vancouver Westside communities are places where seniors can thrive. It strives to provide an informational 'hub' that enhances awareness of local programs and services. It provides leadership in identifying gaps in service delivery and generates community support for seniors' issues.

OUR MISSION: To build a more responsive and resilient community for seniors on the Westside through the power of collective action.

OUR KEY GOALS:

- To identify and promote awareness of Westside seniors' issues and priorities
 - To improve programs and services for seniors on the Westside through collective action by Hub Council, Hub Partner Organizations, and community organizations
- To encourage seniors to become more engaged in their community
